

these definitions into course curricula. If there are any changes or suggestions from these committees, it is requested that the proposal be brought back to IPPC.

3. Strategic Action Agenda 2013-14

The Committee was provided with a revised copy of the document, including the Strategic Action Items. The document will be discussed with a number of groups on campus, including the SGA Senate, and will be shared with the entire campus community soon. It can also be used in coordination with invited speakers as well as community, divisional, and extended cabinet meetings. I
